Gym Memberships

Join our growing client base of 16,000 employers from across all industries.

*"Peerfit has provided an innovative wellness program to our workforce... that has made me look like a hero to our company's employees and management team. The support provided by Peerfit account management has made it so simple and easy to administer the program, and has not added to my already heavy workload as a manager of our company's Human Resources function." - Patrick, Human Resources Manager*

Clients consistently have more than 30% of their population enrolled in Peerfit.

## Why Employers Love Peerfit
