“

Givhero has made it even more worthwhile for me to meet my fitness challenges. Knowing that others are benefiting from my health is a great thing.

— Michael (employee)

Givhero is an innovative solution to support workplace wellness and social causes. Giving our organization another way to support our business objectives of supporting our staff, our culture and our local community partners. I recommend Givhero to any company looking to do the same!

— Shelly (Head People Person)
