## THE 1800MD DIFFERENCE

### CONVENIENCE

We remove all barriers to care, delivering a seamless member experience 24/7/365. We equip you with onboarding tools providing an easy implementation process.

### QUALITY OF CARE

We deliver quality clinical care through our proprietary network of state-licensed, board-certified, and fully credentialed medical providers who have, on average, more than 20 years in outstanding medical practice experience and has been well trained on the delivery of telehealth and phone side/screen side manner (digital communications best practices). In addition to partnering with more than 1,700 physicians, including dermatologists, our behavioral health network includes certified psychologists, psychiatrists, therapists, and nurse practitioners.

### CLIENT SAVINGS GUARANTEE

We stand behind our services. Our solid engagement strategy drives utilization allowing us to guarantee real savings. At 1800MD, you are guaranteed to save what you invested or more.

### WINNING ENGAGEMENT STRATEGY

We have a dedicated team of experts focused on client-specific member engagement. We take care of all communications from new member onboarding to all progressive communications to drive top of mind awareness. Our communications are intentional and personalized.

We know our services are only effective if members utilize them.

### TRANSPARENT RECURRING REPORTING

We provide data-rich reports so you can see your company progress and episode-of-care savings periodically.

### UNMATCHED PRESCRIPTION PROGRAMS

Our program formulary encompasses over 98% of all regularly prescribed medication in the telehealth industry. As more Americans find it challenging to manage out-of-pocket medical expenses, the 1.800MD prescription program is a viable extension of our telemedicine service. It serves as a cost-savings solution for employers.
