

Protect your employees from the flu.
Secure your vaccine supply today.

The flu and COVID-19 have many similar symptoms. This fall it will be more important than ever to prevent the seasonal flu and keep your people safe. Plan ahead and secure your vaccine supply today.

Flexible Vaccine Options

In addition to quadrivalent, we also offer a variety of vaccines including: preservative free, high dose, pneumonia, and TDAP. We also offer vouchers for employees who can't make an onsite appointment.

Exceptional Service

We'll handle all the details for your event providing an onsite experience that is fast, easy and hassle-free.

Peace of Mind

As an experienced wellness provider, we can guarantee your vaccine supplies and deliver a smooth flu shot experience for employees.

COVID-19 Safety Protocols

CHC has established new safety protocols to protect the health and safety of participants. This includes sanitation and social distancing efforts.

For more information visit <https://info.chcw.com/flu> or contact your CHC representative.
