A healthier workforce in **3 EASY STEPS**

How we personalize their plans

Spit/Quiz

Employee is shipped a 100% confidential, at-home DNA collection kit, with prepaid postage directly to our world-class lab and will complete an online lifestyle assessment.

Analyze

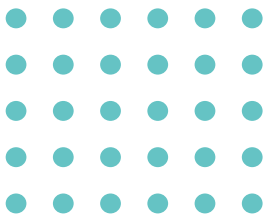

Our lab examines the DNA sample in as little as 3 days, while our algorithms process the lifestyle assessment and combine the DNA findings for an optimal personalized vitamin regimen.

Optimize

Customers receive the results in a detailed report. Their first month supply of personalized pre-packaged morning and night pouches is shipped automatically to them.
