A Simple 2-Step Process

1. Use our flexible tools to implement your benefits strategy.

- Determine the benefits accounts offered.
- Design the program policy for each account.
- Set a subsidy or incentives amount.

2. And... That's it! Twic combines all accounts in one intuitive interface and employees personalize their own benefits with **Twic Store + Twic Card!**

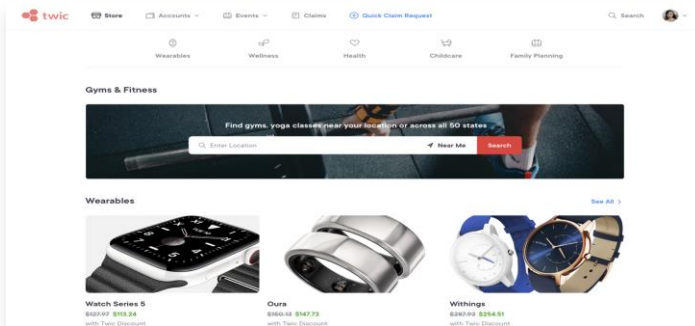

Our Advantage

Seamless Member Experience

Seamless front-end experience for employees, reducing inquiries to the benefits team for **up to 50%. Plus, Twic maintains a high 90+ CSAT score!**

2x Industry Engagement and Utilization

Twic optimizes engagement **and boosts an industry leading average participation rate of 70% with many clients above 90%.**

Twic Store

Select and customize offerings from over 100 vendors in Twic Store with **20% more** purchasing power.

Our unique pay-per-use model across the marketplace only bills based on actual utilization and usage. **No more PEPM costs from every single vendor.**

Twic Card

Twic Card is programed to recognize eligible expenses across benefits accounts and eliminate reimbursement claims for transactions outside of the Twic Store.

No reimbursements, no frustrated inquiries, and no more payroll reports.
