

# Give your team the power to pay for care

Introducing the financially healthy way for **employees to pay for healthcare** over time.

## Ensure equitable access to care

Paytient makes it easier for your employees to afford the care they need — regardless of their credit history. Onboarding includes a quick financial wellness check that complies with federal lending regulations.

## Make care more affordable

Employees can choose custom repayment plans with no interest or fees — ever.

## Reduce large claims

Enabling access to earlier care greatly reduces the risk of large claims in the future.

## Increase employee retention

When you give Paytient to your employees, it shows you are in touch with their needs. We have the numbers to prove it.

## Simplify plan design changes

Move to a lower-cost healthcare design while putting employees in a better place to access care.
