

About Us

WorkPlace Solutions, as a new Acrisure Partner, can offer benefit communication and enrollment support for your clients. Since joining Acrisure in 2022, we have been assisting other APs across the country with our services.

EXPERIENCE

WorkPlace Solutions has been in business since 1996. Our focus has always been benefits communication, enrollment, and benefit administration.

REPUTATION

Our strength is our foundation of trust, integrity, and teamwork. Our leadership team has over 150 combined years of experience in the industry.

FLEXIBILITY

The WPS team consists of industry experts with backgrounds in benefit communication, enrollment, training, technology, and administration. Our diverse background enables us to work with employers across industry segments.

CUSTOMER FOCUSED

We strive to educate and assist employees through easy-to-understand benefit communications and a streamlined benefit enrollment process. This results in employee awareness, appreciation and greater participation in the company offered benefit programs.

RELIABILITY

By focusing on long term partnerships and accountability, WPS has become one of the fastest growing benefit communication companies in the country.

Services

We offer a full range of services that focus on communicating and administering benefit programs for clients on a national scale.
