

Want to keep more of your money and actually get ahead?

Chances are, you're paying A LOT of extra fees today: check cashing fees, overdraft fees, minimum balance fees...you name it. These can add up to thousands of dollars each and every year...preventing you from getting ahead.

Have early access to your pay when you need it helps pay bills on time that avoid interest charges and late fees.

1. Access Your Pay on the Same Day You Work. At no cost.

No more waiting for payday in the future...access your pay when you need it, as soon as the same day that you've worked. Unlike other lending services there are no credit checks, no fees, "tips," or other hidden costs.

2. Get a GoDo Debit Mastercard®

Download the GoDo app and connect your direct deposit, and you'll instantly receive a GoDo Debit Mastercard that you can use online or in stores. PLUS no minimum balance requirements!

Download the GoDo App in the iOS or Android App stores

Connect your direct deposit to start accessing your pay, and start saving!
