

INTRODUCING

teamflect⁺

Teamflect

The ultimate performance management and employee engagement app. Empower your team to reach new heights of success and achieve your business goals faster.

Efficient Meetings

Conduct productive 1-on-1 meetings with preset talking points and share meeting recaps with one click.

Recognize and Reward

Boost morale by giving kudos to team members for their hard work with customizable recognition badges.

Integrated with Teams & Microsoft To-Do

Integrated with Microsoft Teams for easy collaboration, file-sharing, and meeting schedules. Track tasks and deadlines with full Microsoft To-Do integration.

Tracking Made Easy

Effortlessly assign tasks and goals, set deadlines, and track progress all in one place. Monitor goal progression individually or as a team.
