

THE LEADING EMPLOYEE WELL-BEING PLATFORM FOR SMALL BUSINESSES

Burner is an employee wellbeing platform that helps employers build highly desirable places to work.

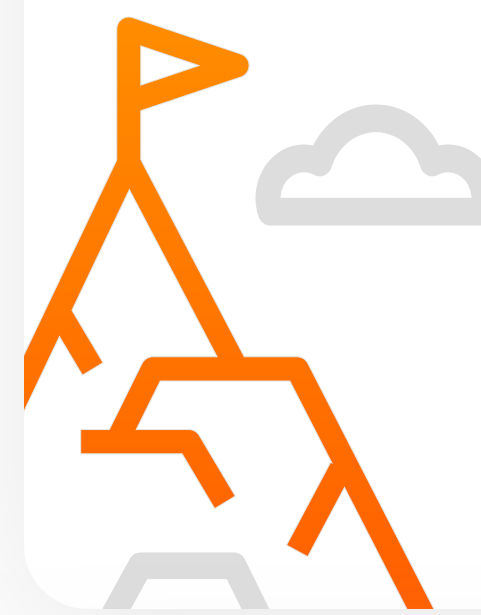

Burner Empowers Small Businesses

Easily Engage Remote Teams

Burner helps employers cultivate strong coworker relationships, encourage and reward healthy behaviors, improve transparency and promote team atmosphere for remote teams.

Improve Culture & Climate

Burner brings employees together in a community where they can easily encourage, support and hold each other accountable on their respective wellness journeys.

Streamline Communications

The Burner employee app and admin portal provide the capabilities employers need to simplify, streamline and unify communications.

Gain Actionable Insights

Burner helps every team member maintain a healthy level of physical activity every day and provides actionable insights employers use to make smarter, faster and better-informed decisions.
