

1 in 4 of your clients' employees are currently battling substance addiction

But fewer than 8% of them have access to effective treatment.

You can fix that.

Many have more than one addiction

18%

of smokers have an opioid use disorder

70%

of those with an alcohol use disorder are also addicted to tobacco

22%

of workers with an opioid use disorder are also addicted to alcohol

Multiple addictions drives excess spend

Annual cost per person

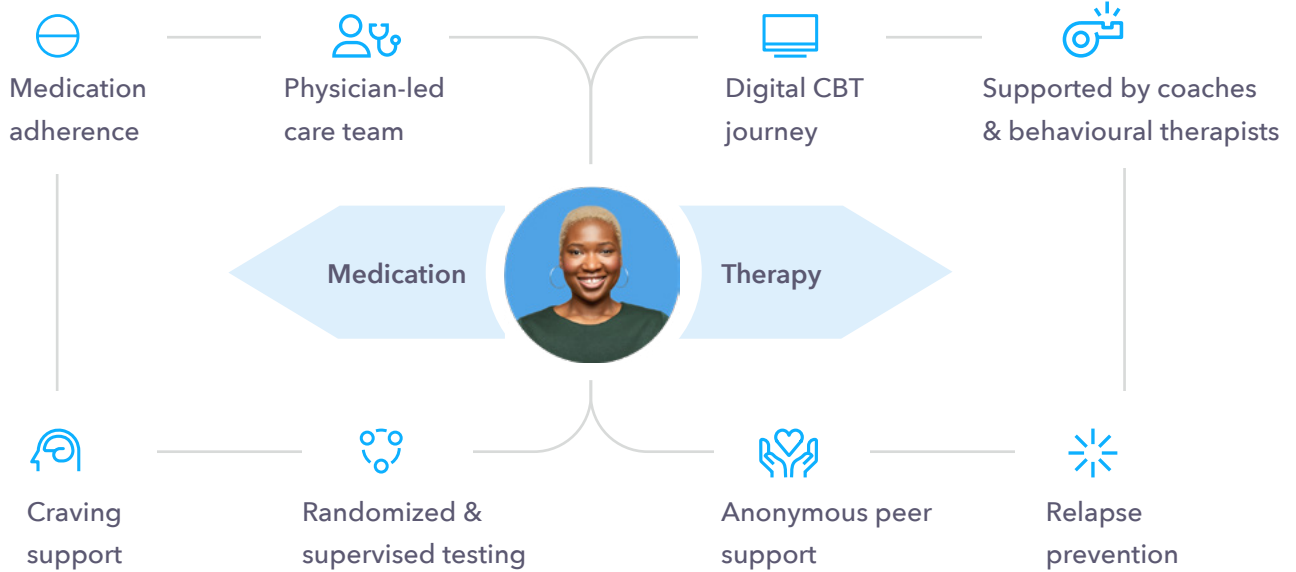

Number of conditions
