

# Benefits Education Experience Platform

Deploy a completely customized, benefits education experience that your employees have been asking for.

- ✔ Super-charge your Open Enrollment meetings
- ✔ Unlock the power of your benefits offerings
- ✔ Provide a superior benefits education experience
- ✔ Introducing and educating on new carriers & vendors has never been easier

## Key Features

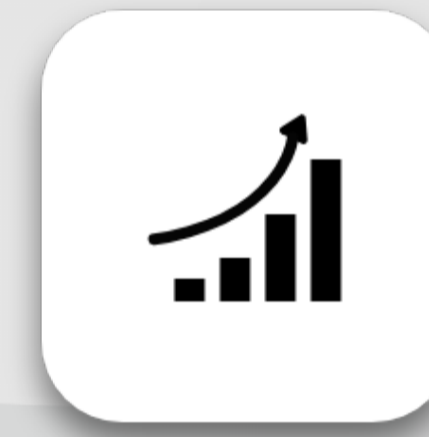

### Benefits Walk-Through

Bring your benefits to life with our digital benefit guide builder. Add photos, videos and links to the app store to drive engagement.

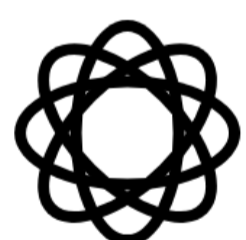

### Integrated Decision Support

Bring value to the benefits you offer by helping employees get recommendations on what benefits they should focus on.

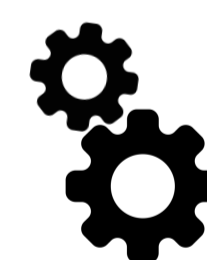

### Skyrocket Engagement

Skyrocket engagement in all lines of coverage and see exactly how employees are learning with our live analytics.
