## 24/7/365 VIRTUAL HEALTH

Available 24/7/365, 1.800MD CampusCare provides open access to board-certified, credentialed physicians anytime, anywhere in the United States. Our board-certified physicians diagnose a variety of acute conditions, provide treatment plans, prescribe medication when deemed necessary, and provide follow-up consultations when needed.

## PHARMACY FORMULARY AND SAVINGS

Our college pharmacy program offers 195 of the most commonly used generic medications for free when prescribed by 1.800MD CampusCare virtual health providers. This helps alleviate expenses at on-site healthcare centers while delivering free medication when students need it the most. Students also receive up to an 80% discount on other prescription medicines. Available at over 65,000 pharmacies nationwide.

## BEHAVIORAL HEALTH

1.800MD CampusCare effectively extends healthcare resources in supporting and treating students' emotional and mental health. We understand that transitioning to a college or university may bring significant challenges or environmental changes. Our expert behavioral health clinicians provide assessments, diagnoses, and consultations to address various mental and emotional needs via phone or video chat.

***12 sessions per contract year no member session fee.***

## DERMATOLOGY

Available 24/7/365, we are dedicated to providing members with affordable and responsive dermatological care from anywhere in the United States. Utilizing our secure portal, members can discreetly upload images to ensure an accurate diagnosis. Follow-up medical consultations are available when necessary.

## LABS WITH STD TESTING

1.800MD CampusCare offers confidential, discounted laboratory testing for a wide range of conditions. With over 5,000 testing locations nationwide, our physicians can seamlessly order laboratory testing for members in need to help pinpoint illnesses. After testing, students can speak with a physician if education and treatment plans are required. We also offer confidential laboratory testing for sexually transmitted diseases.

## WELLNESS COACHING

Our wellness program has trained nutritionists, personal trainers, and life coaches expertly trained to help facilitate positive behavioral changes that improve overall health. From smoking cessation to weight management, our accountability-driven coaching is done by phone or video chat. This allows students to receive personalized education, training, and encouragement from the privacy of their dorm rooms or off-campus.

## HEALTHCARE LIAISON

Our healthcare liaisons ensure a positive experience and work diligently to connect members with physicians. Available 24/7/365, our member service representatives also answer general service questions and member account inquiries.
