

The future of work has changed forever.

TODAY'S EMPLOYEES NEED A VILLYGE

Employees
prioritize their
PERSONAL life.

Employees
expect managers
to **CARE**.

Managers
need more
HELP.

Today, culture matters, and how managers respond—*personally and professionally*—to their employees **defines culture**. Just employee support is NOT enough. Villyge offers the most comprehensive support platform for working parents and caregivers.

Employee

- Unlimited 1:1 virtual support
- Ability to share Life Events
- On-demand resources
- Career coaching

Manager

- Team insights
- “Just in time” guidance
- Personalized micro-trainings
- Communication templates

HR

- Risk mitigation tools
- Benefits and policies hub
- Easy admin dashboard
- Lightens your load!

We set working families up for success and empower corporate cultures to thrive.
Our programs **reduce attrition**, **boost productivity**, and **mitigate claims of discrimination**.

Policy Meets Culture

By supporting working families and automating manager guidance, Villyge drives culture, by closing the gap between company intentions and the actual employee experience — **driving DE&I**.

Why build a Villyge?

To champion a culture of **empathy**,
inclusion, and **belonging**.

The average Villyge
client saves

\$2M

per 1,000 employees,
per year.

Companies offering Villyge
boast a retention rate of

96 %

68% higher than the
national average.

Belonging and
support is linked to a

56 %

boost in on-the-job
performance.

*Companies who manage their employee culture positively yield **profits up to 516% higher**.*
