We're an HR Trailblazer

Leader on FrontRunners®
for HRIS Management

- Gartner and Software Advice

We're Dedicated to Client Success

“If you're looking for a solid support team that listens, understands, and responds with real answers, then look no further than BambooHR.”

-Suzanne Barnette, VP Marketing and Human Resources,
Synergy Surgicalists, Inc

We're Intuitive and Delightful 4.6 stars

from GetApp for Ease of Use

“It's easy-to-use software, which is very important to me...and that's ultimately why we decided to go with BambooHR. ...It was really intuitive, we had a really high adoption right out of the gate.”

-Jane Jaxon, VP of People Operations, Wistia

We Get SMBs

89 percent of our customers are
small- or medium-sized businesses

How do our customers use BambooHR?

BambooHR® software saves time and helps HR create great places to work, so their people can focus on doing great work. Handling administrative tasks gives HR the breathing room to focus on improving the employee experience, and an intuitive dashboard empowers the whole organization to become self-reliant...instead of sending another email to HR.

Each month, BambooHR reports more than...
