

The Zeamo Fitness Passport Program

Because offering the best fitness benefit on the planet to your employees shouldn't be expensive or complicated.

The Zeamo Passport Program offers employees access to 3000+ on-demand workouts, a nationwide network of gyms and studios, activity tracking, fitness rewards, discounts on fitness equipment and tech, and unlimited access to gyms and studios with the purchase of a monthly subscription.

And the best part? New clients get their first month free on an annual contract!

Fitness Anytime. Anywhere.

An ecosystem connecting people, digital fitness, and on-site fitness and wellness experiences to allow employees to build a fitness and wellness program that feels personal, inspires them to make healthy choices and rewards them when they do.

What's Free for Employees?

- ✓ A starter library of on-demand workouts. Employees can choose from HIIT, barre, yoga, Pilates, dance, kickboxing, meditation, cycling, running, and more.
- ✓ Employees can connect their wearable fitness device or a free phone app in order to earn rewards for activity both inside and outside the gym.
- ✓ Everyone can earn fit rewards with Zeamo! Employees earn fitness rewards for on-demand video views, attending live-stream classes, hitting daily step thresholds, and checking into a gym or studio partner location.

What's Available for Purchase by the Employee?

- ✓ Expanded access to a larger library of on-demand classes and workouts from studios and fitness professionals from all over the world. Subscription upgrades start as low as \$4.99/month.
- ✓ Unlimited gym and studio access is available as part of a monthly subscription that starts at \$19.00/month. It's way better than a gym membership to one club or chain. There are no visit caps, no contracts, and no hidden fees.
- ✓ The Zeamo Marketplace offers employees the option to purchase fitness gear and equipment at discounted pricing.
