

Kroger
Prescription
Plans

We'd like to introduce you to a brighter and healthier future.

Kroger Prescription Plans is simplifying healthcare by creating solutions that combine health, wellness and nutrition – tailored to your personal needs.

Convenient Pharmacy Network

www.kpp-rx.com

Get access to over 2,200 Kroger Co. retail locations staffed with caring professionals dedicated to helping people lead healthier lives. To locate a Kroger Co. retail pharmacy, visit our site and download the Kroger app.

Mail Order Your Maintenance Medications

www.ppsrx.com

Fill your 90-day maintenance prescriptions through Postal Prescription Services (PPS) Mail Order. Order refills online, check order status, and track your package with convenient ship-to-home delivery.

Eating Well, Simplified

www.kroger.com/d/optup

OptUP is an app that makes better-for-you shopping simple. With easy-to-understand nutrition scoring and healthier recommendations based on shopping history, it's easier than ever to make healthier choices.

Personalized Specialty Care

www.krogerspecialtypharmacy.com

Kroger Specialty Pharmacy is our exclusive partner in serving patients with chronic conditions. Patient outcomes are optimized with a high-touch, caring patient experience using specialized knowledge and personalized LifeCare programs.
