

MODERN CONSUMER-DIRECTED BENEFITS DELIVERY—FOR EVERYONE.

You need an elevated solution — there wasn't a technologically advanced choice in the market that delivered a modern benefits experience for HR teams and diverse workforces — so we built one.

ONE PLATFORM: ENDLESS SOLUTIONS WITH A MODERN EXPERIENCE

Empowering your benefits offering expansion, complex plan designs and/or plan design changes.

HSA

FSA

HRA

Transit & Parking

Family Forming

Tuition

Lifestyle

ONE PLATFORM: ULTIMATE BENEFITS SCALABILITY & FLEXIBILITY

Delivering a comprehensive platform that provides a streamlined experience for you and your employees.

Instant Claims Processing

AI capabilities to read receipts and process standard claims in real time.

Same-Day Reimbursements

Same day payments with push to debit, PayPal®, and Venmo®.

Single Card Support

One card for multiple plans with the latest chip security and contactless payments.

Your Plans, Your Way

Flexible configurability supporting real-time plan adjustments — no logs, tickets or special requests.

Any File, Any Way

Worry-free transitions with our advanced ETL tool, eliminating file development.

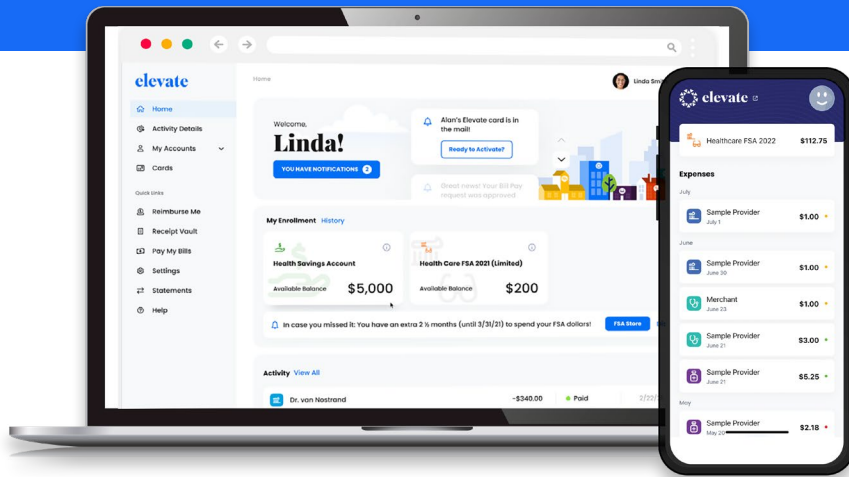

Future-Proofed

100% cloud-based platform with modern architecture that guarantees scalability and security.

LEAVE YOUR LEGACY SYSTEM IN THE 90'S.

When most platforms in our industry were built, opportunities and challenges you face today didn't even exist. While your legacy administrator is consolidating to catch up, we're innovating. It's time for a revolution.

OUR EXPERIENCED TEAM IS FOCUSED ON YOUR SUCCESS

The team at Elevate built many of the consumer-directed benefits platforms you're using today... two decades ago.

Our team has serviced over:

10 million PARTICIPANTS

60,000 EMPLOYERS

165 PARTNERS

DIGITAL-FIRST, CONNECTED EXPERIENCE

Delivering an elevated experience to serve the modern workforce of today and tomorrow.

Modern & Streamlined Interface

Highly-intuitive user experience for a multi-generational workforce.

Automated Administration

Our technology takes on the heavy lifting for HR teams which boosts efficiencies and effective servicing of a diverse workforce.

Simplified Mobile App

Access anytime, anywhere for employees on the go.

Less noise. More happiness.

We're on a mission to revolutionize how everyday people understand and use their benefits. We hope you'll join us.
