“Torchlight is one of the best tools that we can use and I think every employer should offer it...It’s not only going to become the right way to do business but become the accepted way to do business.”

“[Torchlight’s] product and services are well received and appropriate for parents who work and struggle with family issues. The boomer population is still working and dealing with aging parents. Programs like Torchlight’s elder and child education and assistance aid in employee attraction and retention.”

“[Torchlight offers] great support from the account manager and assistance with promotion/communication.”

“Torchlight is a valuable benefit and can cater to the needs of a diverse workforce as it relates to caregiving needs (children, elders, adult children, etc.). They support employees and their families on so many different topics and areas and there really is something for everyone.”

ABOUT TORCHLIGHT

Torchlight *Parenting & Caregiving*, a product of LifeSpeak Inc., is the leading comprehensive caregiver support solution for employers, health plans, and other organizations that provides best-in-class expertise both digitally and through one-on-one advising and concierge services. Unlike traditional call centers and coaching models, Torchlight *Parenting & Caregiving* provides direct access to top specialists and expertise in a scalable, cost-effective way. In addition to our commitment to family caregivers, our data-driven approach provides workforce insights to human resource leaders and C-level executives that uncover employee needs and enhance performance outcomes. No matter the age, diagnoses, or obstacles ahead, Torchlight *Parenting & Caregiving* helps resolve the everyday, modern challenges of caregiving before they become a crisis.
