

CONSUMER DRIVEN ACCOUNTS *by BASIC*

A benefit solution like no other...

Employees are expecting all-inclusive benefit accounts and you expect simple administration. As the benefit experts, we ensure your employees receive more value from their payroll dollars and your business earns cost savings at the same time. It's truly a win-win.

BASIC is determined to make reimbursement as fast and easy as possible. Our benefit system for Consumer Driven Accounts offers over 30 integrated accounts, all handled by one administrator. While BASIC harnesses the power of superior technology, we still believe in old-fashioned customer service like answering our phones. Our industry certified account representatives have been going beyond the basics for over 30 years.

Not all benefit systems are created equal...

1

Recruit and retain employees by providing them access to over 30+ in-demand and integrated benefit accounts.

Employers have the power...

2

As regulations continue to change and your organizational needs evolve, you have the ability to turn on and off benefit plans that are fully integrated within the platform.

Experience the BASIC difference...

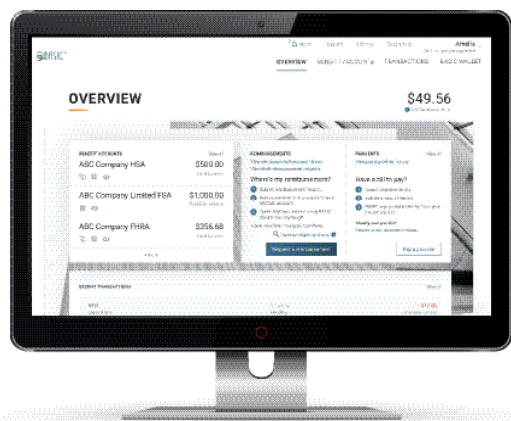

3

All BASIC clients receive a dedicated account representative assigned to your business, giving you and your employees access to the same person every time!

One Benefit System

Our single sign-on website makes it easy for participants to manage their accounts and get the support they need - anytime and anywhere! Plus, account information is connected across all platforms, which means participants don't have to re-enter data. *Traditional benefit systems cannot support multiple and integrated benefits on one system.*

Benefits Should Be Simple. Keep it BASIC.

Employee benefits are now easier to manage than ever before with BASIC's state-of-the-art Consumer Driven Accounts system. You may now offer your employees over 30 integrated benefit accounts to meet their varied needs, all with no extra work required on your end.

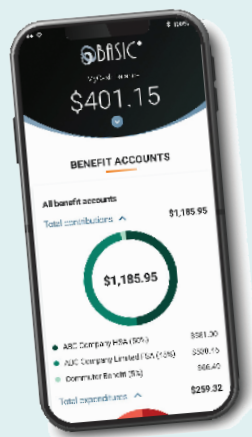

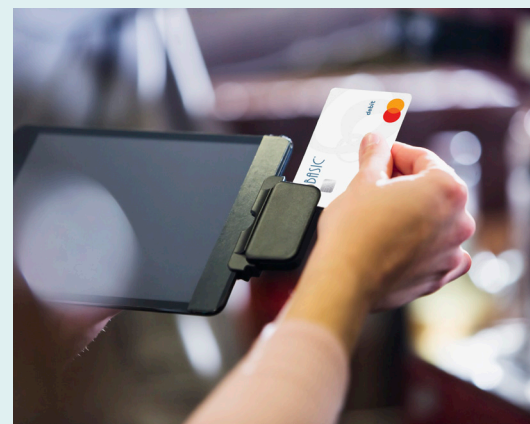

BASIC's one-stop solution allows you to manage all your benefit plans on one card, one website, and one mobile app for the utmost convenience.

You have the power to create a custom benefit program tailored to your employees' specific needs. Choose from a wide range of healthcare benefit accounts like FSA, Simple HRA, or HSA, and combine them with Dependent Care, Transit, Wellness Rewards, and Education Reimbursement accounts – all on a single platform.

The BASIC Card & MyCash

With MyCash, when an employee requests a reimbursement, funds are immediately processed and placed in an account that's available on their BASIC card. No more delays!

The BASIC Card is smart enough to pay for eligible items from benefit accounts and ineligible expenses (e.g., milk, gum, or other ancillary expenses) from a participant's MyCash account.

The BASIC Benefits Mobile App With Picture to Pay

In three quick steps, participants can pay their medical bills directly to healthcare providers with our "Picture to Pay" feature.

No paper, no postage, no hassle.

1. Snap a picture of the bill
2. Submit via the BASIC Benefits app
3. BASIC pays the bill from the appropriate benefit account
