

# At-home health screenings with **instant results.**

## What's included?

- ✓ Biometric screening kit: measure your blood, pressure, cholesterol and more in under 30 minutes.
- ✓ Real-time support: follow step-by-step video instructions in the Reperio app and contact our team with any questions.
- ✓ FDA-cleared medical devices: the Reperio screening kit includes the same tools used in doctor's offices and labs.

## Why choose an at-home health screening?

Choose a time that works for you

No more Googling confusing lab results

Know your numbers and identify health risks

## How it works.

- 1 Order your kit: the Reperio screening kit is delivered right to your door.
- 2 Complete your screening: you'll have a full week to complete the screening. It takes about 30 minutes from start to finish.
- 3 View results: measurements across 10 key metrics are revealed immediately in the Reperio app.
- 4 Schedule your return: select easy UPS pickup or drop off in the app.
