

**U.S. LEGAL  
SERVICES**

1974

# Attract and Retain an Engaged Workforce

Improve your bottom line while  
providing a value-added benefit  
to your employees.

---

*Providing justice for all since 1974.*

---

# **We Are U.S. Legal Services**

We bridge the gap between members and attorneys, offering access to a network of more than 10,000 highly qualified, highly vetted attorneys across the U.S.

---

# Why Offer Legal Insurance?

By offering legal insurance, both you and your employees can rest easy knowing that affordable, quality legal services are easily accessible at any time.

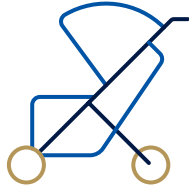

Time spent managing legal problems can result in employee distraction, decreased productivity, and increased stress.

For our nearly 50 years in business,

**our mission has been to remain the broadest and most comprehensive group legal insurance provider nationwide.**

We save our members an average of over **\$3,000 per year** and countless hours in productivity.

## Many parts of life require legal services:

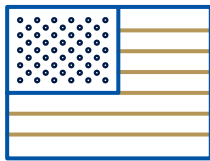

Adopting a child

Disputing a debt

Getting a divorce

Immigrating to the U.S.

Buying or renting a home

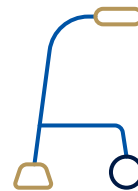

Receiving a traffic citation

Remedying juvenile misconduct

Preparing a will or trust

Caring for an aging parent

---

# Our Plans

Our customizable legal insurance plans are designed to protect your employees on and off the job—all while safeguarding your bottom line.

## Family Defender™

The Family Defender™ is designed to protect members and their families through a wide range of legal services. Our plan covers 100% of personal legal matters, including but not limited to estate planning, immigration, divorce, child support, child custody, traffic violations, debt, civil law, elder law, and more.

## Identity Defender™

The Identity Defender™ covers identity theft monitoring, alerts, and restoration for members and their families. Backed by \$1 million of identity theft insurance for each member, the plan also provides access to dedicated specialists who will help members restore both their identity and their credit.

---

# The U.S. Legal Services Advantage

## Extensive Experience

We have served both large and small organizations across industries including finance, education, government, healthcare, unions, associations, and everything in between.

---

## Member Resources

Via our Member portal, all members receive immediate access to more than 10,000 templated and state-specific legal forms, will preparation services, power-of-attorney services, and more.

---

## Dedicated Expertise

Using case specifics, we take great care in matching each member with their own dedicated and highly qualified attorney.

---

## Affordable Coverage

Most of our plans cost less than \$1 per day—we pay 100% of attorneys' fees for all covered services.

---

## Financial Benefits and Identity Restoration Services

Our financial benefits include discounted tax preparation services and no-cost phone consultations with Certified Credit Counselors on matters ranging from credit counseling and budgeting to retirement planning and more. We also offer fully managed identity theft restoration services, supported by Fraud Resolution Specialists.

---

---

# Our Turnkey Process

## Hassle-Free Implementation

Our dedicated implementation team will manage the system setup and provide guidance throughout the onboarding process. We ensure it is simple and seamless as we do not require large amounts of employee data. Additionally, for employee enrollment, we have the ability to adapt to your existing administration process or, if preferred, we will develop a customized landing page.

## Low-Maintenance Administration

With features like convenient payroll deduction and 100% employee-paid premiums, our plans require minimal support from benefits administrators.

## Self-Serve Member Access

Members can use our portal to access their member ID cards and manage their account. The portal is available online or through the U.S. Legal Services mobile app. We also offer dedicated support through a live customer care line, as well as access to our 24/7 emergency line for time-sensitive criminal offenses.
