

## A COMPLETE WELLNESS PROGRAM

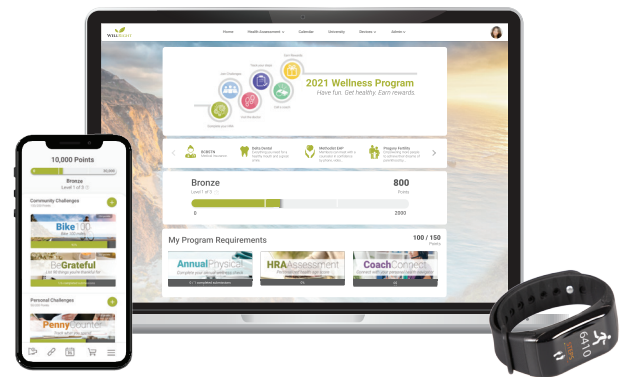

Consultants: offer a platform that evolves with your clients

### Fresh Flexibility for Proven Results

As a consultant, matching wellness programs to clients can be a challenge. You want to make sure the program will fit their needs, engage their employees, and generate real value and ROI.

That's hard to do with one-size-fits-all programs.

So that's why WellRight does things differently.

### WellRight Is Like No Other Wellness Program

With WellRight, employers can tailor everything to their needs and the needs of their employees. This helps you differentiate yourself in a crowded healthcare space with an offering that truly stands apart.

#### Why Employees Love WellRight

- ✓ Hundreds of fun, fresh challenges and activities
- ✓ Easy access via desktop, mobile app, and fitness device sync
- ✓ Text alerts to make it easy to stay on track
- ✓ Wellness coaching to support their goals
- ✓ Family members are included for FREE to support lifestyle changes that make a real difference

#### Why Clients Love WellRight

- ✓ Challenges can be completely customized, right down to the type of reward
- ✓ Easy-to-use platform grows and evolves with the company
- ✓ Reasonable alternative standard activities for smoking, weight, etc. included for FREE
- ✓ Easily analyze claims data to identify gaps in care and optimize medical spending (*optional*)

## What Does WellRight Include?

- ✓ **Creative challenges.** Your clients can choose from over 400 pre-built challenges or build their own.
- ✓ **Comprehensive Health Assessment.** Measure across the six key dimensions of well-being: emotional, occupational, social, financial, physical, and purpose.
- ✓ **Wellness coaching.** Professional coaches are available for employees and their families (*may be used as a Reasonable Alternative Standard*).
- ✓ **Easy access.** Clients can track results via the online portal, mobile app, text messaging, or wearable device.
- ✓ **Meaningful rewards.** Clients can engage their teams with customizable incentives, raffles, fitness gear, gift cards, and more.
- ✓ **Biometrics (optional).** Give your clients' employees access to biometric screenings at the office, local labs, or a physician's office.
- ✓ **Claims data analysis (optional).** Clients can combine wellness data with their claims data to identify gaps in care and optimize medical spending.

## Why Is Wellness With Purpose Important?

Everyone's path to wellness is unique—and so we enable your clients' employees to chart their own course. Whether they want to focus on nutrition, fitness, financial, or mental health, we believe that by giving people control over their well-being, they become empowered to do truly great things.

As your clients' employees take on new WellRight challenges, they'll start to see that small wins lead to big victories. And all victories lead to increased wellness, a healthier organization, and better business results—a win-win for everyone.
