YES, EVEN IF YOU'RE ALWAYS ON THE MOVE.

Get your virtual wellness screening from anywhere via video or phone.

You're busy. So, often are you, may not be taking the time to get your preventive check-up. But, what if it could take you less time than you think? With virtual wellness screenings through H&LIVE, it can. Simply make your appointment online and go for a quick visit to a lab for your blood work and biometrics. The rest is completed online and via video or phone, whenever it's most convenient for you. You'll receive a summary of your screening results for your records.

Key benefits of virtual wellness screenings.

Convenient	Make your appointment from your phone, tablet or computer - whenever fits you, with no need to waiting.	 Affordable Virtual wellness screenings and the associated lab for your visit are covered at no cost to you, as part of your preventive care benefits through your health plan.*
Flexible	Get an appointment during the busy evening or weekend.	
Comprehensive	Enjoy a short-focused and informative visit, since lab work and biometrics are required to be completed and shared with your H&LIVE provider beforehand.	
Proactive	Proactively identify health issues such as diabetes, high cholesterol and other risk factors before they become serious and costly. You can also request to have your virtual wellness screening results shared with your primary care provider.	

Offered by Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company or their affiliates.

How virtual wellness screenings work, step-by-step.

STEP 1	Complete your H&LIVE online health assessment.	<div style="text-align: center; margin-bottom: 10px;">  At the lab, before your virtual visit. </div> <p>A technician will conduct:</p> <ol style="list-style-type: none"> 1. Lab work, including blood count, as well as metabolic, thyroid, lipid/cholesterol and diabetic testing. 2. Biometric screenings, including blood pressure, height, weight, BMI and waist circumference.**
STEP 2	Choose an in-network lab and schedule your virtual visit.	
STEP 3	Go to your lab appointment. You'll receive a notification when the results are available in the H&LIVE customer portal.	<div style="text-align: center; margin-bottom: 10px;">  During your virtual visit. </div> <p>Your provider will:</p> <ol style="list-style-type: none"> 1. Discuss any allergies and medications. 2. Review your medical and family history. 3. Explain any risk factors and treatment options based on lab work and biometric screenings. 4. Guide you through appropriate next steps for any health issues are identified. 5. Discuss your emotional and psychological well-being.
STEP 4	Attend your virtual visit from anywhere via video or phone. After your visit, you'll receive a summary of your screening results for your records.

"Thank you so much! Looking forward to it as a great winter 'pick me up!'"

- LISA, SPECIALIST

"Arrived today for me! It was super nice and filled with tons of goodies. Thank you for arranging and handling this whole thing!"

- NICOLE, SENIOR MANAGER

I let my daughter "unbox" it because she loves that kind of stuff. It's amazing – full of lots of goodies – I mean a lot – they included a lot of snacks, And the gifts – esp the water bottle and the lavender spray and plant are so nice! Really great choice – thank you!!!

- ANDRONIKI NICHOLAS,
FINANCE MANAGER

"I just received my wellness box and want to thank you and the Ansell US Benefits & Wellness team. I follow a Keto diet for most food & snacks, so this was a perfect surprise package to get."

- ROBERTA MARVEL, CUSTOMER SERVICE

"Hey there! Did you have a hand at the Bunny box that went out to Docs for the offsite? If so, I wanted to let you know about the rave reviews it's been getting. Docs LOVED it! Thank you!"
