- **Healthy Workforce:** voluntary benefits and wellness management

My Benefit Express™

Customizable, Responsive
and Cloud-Based

Built-in

Features that our customers know
and appreciate include:

Wellness Administration

To assist your wellness initiative, we communicate, calculate and report all types of rewarding benefit credits

Premium Accounting

Our reconciliation and invoice process provides a seamless link between carriers and employers

Voluntary Benefits

Our automated management of voluntary benefit programs lets you promote participation with ease

EDI and Payroll

Our tools and processes allow us to work with any data — from file build to QC to retroactive action

Customer Care Center

Our friendly and helpful staff provides assistance via phone call, email or live chat

Stand-alone

Add these features to your
implementation or go a la carte:

Dependent Eligibility Verification Audits

Optimize your spending with our audit and reinvest in your workforce

ACA Compliance Tech & Analytics

Manage and analyze data year-over-year to comply with employer mandates and mailings, and successfully E-file to the IRS

Reimbursement Administration

Whether that's FSA, HSA or HRA — we have reimbursement programs covered

Total Comp Statements

When employees understand total compensation, they feel valued, more engaged and loyal

Offboarding

Rely on our COBRA and direct bill expertise for sponsored benefits and premiums collection
