Family Defender

Legal expense insurance will provide your employees and their families peace of mind, allowing them to focus on their normal responsibilities, both work and personal. Attorney's fees are completely paid for all covered legal matters - no copays, deductibles, or claims forms for covered matters.

Identity Defender

The Identity Defender will monitor employee's confidential information and report alerts in real-time. If theft is detected, a white-glove restoration service will be conducted by a Certified Fraud Resolution Specialist on behalf of the employee. In addition to the restoration, all policies are backed by an aggregate \$1M insurance limit.

CDL Defender

With an understanding of FMCSA regulations, our Network Attorneys are typically able to reduce fines, keep points off your driver's records, and keep drivers on the road. The CDL Defender pays 100% of all attorney's fees on moving, non-moving, and DOT violations for both the driver and the carrier.
