

THE WELLNESS OUTLET

powered by motion connected

Lets Put Your Company in Motion

The Wellness Outlet was built to support your employees' journey towards a more active lifestyle, by giving them direct access to affordable wearable options. You can sign up for the Wellness Outlet today and enjoy the following:

- ✔ **No set-up or management costs.** Simply give employees a code to access the store and you're done, the Wellness Outlet takes care of the rest.
- ✔ **Multiple device options.** Employees can choose from over 20 Fitbit & Garmin devices.
- ✔ **No stressful distribution.** Devices will be shipped directly to employees' homes.
- ✔ **Gift options.** You have the ability to offer employees a gift code in the store to further discount, or cover the purchase of a device.
- ✔ **Great variety.** Device features range from basic steps, to heart rate monitoring, GPS and smart phone notifications.
- ✔ **Affordable options.** Prices start as low as \$49.99 for a device and every purchase includes FREE shipping.
